

Resources About Biblical Theism

This select listing of books about the Godhead and the personalities of the Father, the Son (Jesus Christ) and the Holy Spirit is, admittedly, very limited and incomplete. Many other good books on these subjects and their subcategories are also available. A reading of these books will give a very good understanding of the overall subject of biblical theism. Of course, the best source for understanding biblical theism is the Bible itself.

The Godhead – Father, Son, & Holy Spirit – Trinity:
